The Hi-Quality Group is a 100% Australian-owned family-run company that has a history of over 50 years of growth and achievement. Hi-Quality's multiple integrated businesses specialises in quarrying, waste management, landfills, resource recovery & recycling, landscape & building supplies, bulk transport services, civil & environmental services and property development.

The Hi-Quality Group is passionate about combining innovation, technology and cost efficiencies with dedication to customer service and sustainability. Hi-Quality has a capable and motivated workforce of approximately 150 employees, which are all aligned with the company's commitment to safety, quality and environment.

Hi-Quality's operations are all located within the growth areas of Western Sydney, North West Melbourne and the Canberra/Goulburn region.

The Hi-Quality Group is committed to servicing our customers' needs with an impressive range of products and exceptional service, which the name suggests are of the highest quality.

We aim to be respected and successful amongst our peers operating in our industry, creating value for all of our stakeholders.

We seek to create sustainable value by providing quality fit for purpose products and solutions to satisfy the needs of our customers, to ensure repeat business and growth for the Hi-Quality Group.

As a long established Australian owned, family business, our vision is to continue to build on our strengths and core businesses while maintain the family culture that is Hi-Quality.
